**SUBJECT: Fiscal Year 2003 Appropriation**

On February 20, 2003, the President signed into law, H.J. Res. 2, a Continuing Resolution (CR) for FY 2003. The resolution contains the text of all previously unenacted FY 2003 appropriations bills, including the Foreign Operations appropriations act. The enactment of the CR means that the Foreign Operations appropriations act has also been enacted into law. The funding levels, terms, and conditions contained in that act will be operative during the balance of the fiscal year. Further information from PPC, LPA and GC will be provided in upcoming guidance.
